Thanks a million... please accept our sincerest thanks for making the Grand Opening of our new store such a tremendous success. We are very grateful for the wonderful support, cooperation and patience that was shown us by the thousands of people who were able to shop with us last weekend. We apologize to the other thousands who came to the Grand Opening but were not able to be served during the hectic rush. We hope that all of you will visit us again, and are certain that if you do, you will find shopping at the new Food Giant a most delightful and economical adventure. To tangibly show our appreciation, we are continuing our Grand Opening celebration for four more days with new and even bigger savings...it is our way of saying "Thank You."
